CATALYSIS SOCIETY OF SOUTH AFRICA

31ST INTERNATIONAL CONFERENCE

7-10 November, 2021

VIRTUAL

The 31st Catalysis Society of South Africa (CATSA) international conference will be held from the 7th to 10th November, 2021 via a virtual platform and hosted by the University of KwaZulu-Natal. The theme of the conference "*Catalysis for a sustainable society*" resonates well with the current global focus towards cleaner and environmentally benign processes. Scientific contributions are invited from any of the following main areas of catalysis:

- Homogeneous catalysis
- Heterogeneous catalysis
- Biocatalysis
- Electrocatalysis
- Nanocatalysis
- Catalysis modeling

Eminent Visitor

The Eminent visitor is **Prof Paul Chirik**, who currently holds the position of Edwards S. Sanford Professor of Chemistry at the Princeton University, United States of America and is the current Editor-in-Chief of Organometallics journal.
